- the total number of students at the HEI must be in brackets, and the number of students taking double-major programmes is multiplied by 0.5.

**Table 3.2. Structure of enrolled students and interest in first-cycle study programmes\* in the evaluated academic year and two academic years prior to that**

NOTE:

Data on structure of students refer only to students applying for, i.e. enrolling in study programmes via the State Matura system (National Information System of Application to Higher Education Institutions - NISpVU) and includes only first-time enrolments in the first year of studies (not students who are re-taking the year).
