- **Every Saturday and Sunday**, we offer our guests a wide selection of dishes served on very attractive huge “kotlovina” plates. The guests are welcomed with homemade brandies and liqueurs after which we serve the soup. **Guests take main dishes and salads by themselves and choose what and how much they want to eat** (wide selection of vegetarian dishes). At the end of the meal we serve a dessert. Moslavina table is constantly refilled by our chefs and cooks who help guests with advice on the selection of the dishes.
The table is served from 1 pm to 3.00 pm. Reservation is required!
